HERE'S HOW IT WORKS

Our professional cameramen will be on the race course at different areas videotaping the race. Make sure you 'ham it up' when you see them! We'll also have a camera stationed at the finish line capturing each and every athlete as they cross the line! When you order your DVD, we'll send you the DVD showing your finish as well as those around you, depending on your overall finish time. Note that we'll eliminate any 'dead space' between finishers to streamline the duration of the DVD. Based on prior race finishing times, we'll have DVD's covering each finisher in the following time blocks:

Finishing 2 hrs 15 minutes – 3 hrs. 30 minutes, 3:30 – 4:00, 4:00 – 4:30, 4:30 – 5:00, 5:00 +

You'll receive your DVD 8-10 weeks after the race. Money is non-refundable. Cost Only \$34.95 + \$4 S/H (UPS ground) It's important that you write your name clearly and attempt to guess your time accurately on this order form so that we can send you the correct DVD with you in it! If you're not sure of your finish time, just guess and we'll find you! You can order your DVD at anytime up until Nov. 30, 2004.
